PROFESSIONAL SUMMARY

IT Digital Designer with 3+ years of experience designing **responsive web experiences**, **scalable digital systems**, and consumer-focused visual interfaces across e-commerce and enterprise web environments. Skilled in **visual design**, **UX/UI design**, wireframing, interaction design, and translating complex concepts into engaging digital experiences improving usability, **visual hierarchy**, **readability**, and customer engagement. Experienced collaborating with web developers, product managers, marketers, and cross-functional stakeholders to support end-to-end digital design workflows from concept exploration through implementation within fast-paced environments. Strong expertise in **Adobe Creative Suite**, **Figma**, **HTML**, **CSS**, responsive design systems, **user flows**, **wireframes**, **visual storytelling**, AI-assisted design workflows, and scalable web experiences supporting high-quality digital branding initiatives.

SKILLS

- **Digital Design & Visual Communication:** Visual design, digital storytelling, visual hierarchy, readability optimization, customer-focused experiences
- **UX/UI Design & Interaction Systems:** UX strategy, interaction design, responsive interfaces, scalable UX systems, customer engagement workflows
- **Adobe Creative Suite & Design Tools:** Photoshop, Illustrator, InDesign, Figma, wireframes, layout concepts, visual prototyping
- **Responsive Web Design:** Cross-browser compatibility, cross-platform systems, responsive web experiences, scalable layouts
- **Wireframing & Information Architecture:** User flows, sitemaps, wireframes, information architecture, interaction consistency
- **Frontend Design Awareness:** HTML, CSS, responsive workflows, frontend collaboration, implementation consistency
- **Branding & Visual Systems:** Branding systems, design consistency, visual standards, scalable design systems
- **Concept Development & Storytelling:** Concept exploration, digital storytelling, presentation systems, creative ideation workflows
- **Interactive Media & Web Graphics:** Web graphics, responsive assets, visual campaigns, digital experiences, multimedia systems
- **Cross-Functional Collaboration:** Developer collaboration, stakeholder communication, agile workflows, collaborative design reviews
- **Web Trends & Innovation:** Emerging design trends, modern UI systems, innovation-focused workflows, digital optimization
- **Project & Workflow Management:** Multi-project coordination, deadline management, workflow optimization, rapid iteration cycles
- **Quality Assurance & Design Consistency:** QA workflows, implementation reviews, deployment consistency, design refinement
- **AI-Assisted Design Workflows:** AI-assisted workflows, rapid prototyping, scalable optimization, design efficiency improvements
- **Problem Solving & Creative Thinking:** Critical thinking, conceptual problem solving, scalable digital solutions, customer-focused innovation

EXPERIENCE

CX by Design | IT Digital Designer | New York, NY

Sept 2025 – Dec 2025

- Designed responsive web experiences, scalable digital systems, and customer-focused interfaces improving usability and visual communication quality.
- Built high-fidelity visual concepts, wireframes, user flows, and scalable interaction systems supporting polished web experiences and branding consistency.
- Conducted usability evaluations, design reviews, and workflow analyses identifying opportunities for stronger engagement and responsive optimization.
- Collaborated with developers, marketers, product teams, and stakeholders translating business goals into scalable digital design solutions.
- Presented concept-driven visual systems, responsive layouts, and storytelling experiences during collaborative reviews and iterative design sessions.
- Contributed AI-assisted workflows, reusable design systems, rapid prototyping initiatives, and scalable branding systems improving implementation consistency.

MyRentalSpot | UX/UI Product Design Intern | Orinda, CA

Aug 2025 – Sept 2025

- Developed responsive web and mobile experiences improving onboarding efficiency, interaction consistency, and engagement across platforms.
- Built high-fidelity Figma prototypes, frontend layouts, responsive interfaces, and scalable interaction systems validating experiences before launch.
- Conducted usability evaluations, customer feedback analysis, and UX refinements improving accessibility, responsiveness, and engagement quality.
- Collaborated with developers, product teams, and stakeholders delivering production-ready design systems and scalable implementation workflows.
- Supported rapid iteration cycles, usability testing, feature refinement, frontend validation, and UX improvements enhancing deployment quality.

NYC Design Factory | Design and Innovation Volunteer | New York, NY

Jan 2025 – Present

- Facilitated collaborative workshops and ideation sessions supporting innovative customer-focused digital experiences and scalable interaction systems.
- Developed workflow analyses, responsive interface concepts, and communication assets translating user needs into functional software solutions.
- Collaborated with cross-functional teams aligning customer journeys, usability goals, and branding-focused design initiatives.

Lighthouse Info System Pvt. Ltd | Associate Digital Designer | Nagpur, India

June 2024 – Aug 2024

- Designed responsive dashboards, scalable web systems, and customer-centered digital experiences improving usability and communication quality.
- Conducted stakeholder discussions, usability evaluations, workflow analyses, and iterative design reviews identifying opportunities for stronger functionality and UX optimization.
- Built reusable layouts, scalable UI systems, wireframes, prototype-ready assets, and frontend workflows supporting consistency across development cycles.
- Created technical documentation, visual guidelines, QA systems, and branding standards reducing inconsistencies across implementation workflows.
- Collaborated with engineering teams refining interaction systems, accessibility workflows, and scalable customer-focused web experiences.

Phoenixzone Technologies Pvt. Ltd | Junior Digital Designer | Pune, India

Jan 2024 – June 2024

- Designed 20+ responsive digital experiences and scalable visual systems improving engagement, usability, and presentation quality.
- Created wireframes, prototypes, scalable UI components, responsive layouts, and interaction systems supporting rapid deployment workflows.
- Partnered directly with developers and stakeholders translating customer requirements into scalable web systems and customer-focused solutions.
- Leveraged AI-assisted workflows accelerating visual refinement, usability validation, feature optimization, and scalable design improvements.

EDUCATION

Pace University, New York | MS in Human Centered Design

Sept 2024 – Dec 2025

G.H. Rasoni College of Engineering | Bachelor of Engineering in Computer Science

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
