PROFESSIONAL SUMMARY

Web Designer with 3+ years of experience designing **responsive websites**, modern digital experiences, and customer-focused web interfaces across business, industrial, and marketing environments. Skilled in **web design, graphic design, wireframing**, prototyping, website redesigns, and translating business requirements into clean, modern website experiences improving usability, engagement, and brand visibility. Experienced collaborating with stakeholders to update existing websites, create scalable layouts, and deliver responsive digital solutions aligned with business goals. Strong expertise in **Figma, Adobe XD, Canva, WordPress, Wix, Shopify, Squarespace, HTML, CSS, responsive design**, AI-assisted design workflows, and visual communication supporting high-quality web experiences.

SKILLS

- **Web Design & Website Redesign:** Website design, website updates, responsive layouts, modern web experiences, interface optimization
- **Figma & Design Tools:** Figma, Adobe XD, Canva, wireframing, prototyping, visual design workflows
- **WordPress & Website Builders:** WordPress, Wix, Shopify, Squarespace, content management, website customization
- **Responsive Web Design:** Responsive layouts, mobile-first design, cross-device experiences, accessibility, usability optimization
- **Graphic Design & Branding:** Graphic design, branding systems, visual communication, marketing assets, design consistency
- **HTML & CSS Development:** HTML, CSS, frontend implementation, responsive styling, website enhancements
- **User Experience Design:** User-centered design, usability improvements, interaction design, workflow optimization, customer engagement
- **Wireframing & Prototyping:** User flows, wireframes, mockups, interactive prototypes, design validation
- **Visual Design & Layouts:** Typography, color theory, layout design, visual hierarchy, modern interfaces
- **E-Commerce Awareness:** Shopify platforms, online experiences, customer journeys, conversion-focused design concepts
- **Cross-Functional Collaboration:** Stakeholders, developers, business teams, project collaboration, design reviews
- **Project Management & Delivery:** Multi-project management, revision cycles, deadline execution, workflow coordination
- **Presentation & Communication:** Design storytelling, stakeholder communication, design rationale, feedback incorporation
- **AI-Assisted Design Workflows:** AI-assisted workflows, rapid prototyping, iterative design, scalable optimization
- **Problem Solving & Innovation:** Strategic thinking, customer-focused solutions, digital innovation, business-driven design

EXPERIENCE

CX by Design | Web Designer Intern | New York, NY

Sept 2025 – Dec 2025

- Designed responsive websites, modern web interfaces, and customer-focused digital experiences improving usability and engagement.
- Translated business requirements into wireframes, prototypes, and high-fidelity Figma designs supporting website modernization initiatives.
- Created clean layouts, visual systems, and scalable web experiences strengthening brand consistency and user experience quality.
- Conducted usability evaluations, design refinements, and iterative improvements optimizing website performance and accessibility.
- Collaborated with stakeholders aligning website updates, business objectives, and customer experience goals.
- Contributed AI-assisted workflows, design documentation, reusable assets, and scalable web systems improving execution efficiency.

MyRentalSpot | Web Developer Intern | Orinda, CA

Aug 2025 – Sept 2025

- Developed responsive website experiences improving onboarding efficiency, usability, and interaction consistency across platforms.
- Built high-fidelity Figma prototypes, website layouts, and scalable interaction systems validating experiences before launch.
- Conducted usability evaluations, customer feedback analysis, and UX refinements improving accessibility and engagement quality.
- Collaborated with developers and stakeholders delivering production-ready website experiences and implementation workflows.
- Supported rapid iteration cycles, design validation, website enhancements, and usability testing improving deployment quality.

NYC Design Factory | Design and Innovation Volunteer | New York, NY

Jan 2025 – Present

- Facilitated collaborative workshops and creative initiatives supporting innovative digital marketing experiences and scalable communication systems.
- Developed visual assets, promotional materials, and communication concepts translating audience needs into engaging content experiences.
- Collaborated with cross-functional teams aligning branding objectives, campaign goals, and digital engagement initiatives.

Lighthouse Info System Pvt. Ltd | Associate Web Designer | Nagpur, India

June 2024 – Aug 2024

- Designed responsive websites, dashboards, and customer-centered digital experiences improving usability and communication quality.
- Conducted stakeholder discussions, usability evaluations, workflow analyses, and design reviews identifying opportunities for optimization.
- Built reusable layouts, website systems, wireframes, prototype-ready assets, and responsive workflows supporting implementation consistency.
- Created design documentation, style guides, QA systems, and visual standards reducing inconsistencies across digital experiences.
- Collaborated with engineering teams refining interaction systems, responsive workflows, and scalable web solutions.

Phoenixzone Technologies Pvt. Ltd | Junior Web Designer | Pune, India

Jan 2024 – June 2024

- Designed 20+ responsive website experiences and scalable digital systems improving engagement, usability, and visual performance.
- Created wireframes, prototypes, web layouts, graphic assets, and interaction systems supporting rapid project delivery.
- Partnered directly with stakeholders translating business requirements into scalable website and branding solutions.
- Leveraged AI-assisted workflows accelerating design iteration, validation processes, optimization efforts, and implementation efficiency.

EDUCATION

Pace University, New York | *MS in Human Centered Design*

Sept 2024 – Dec 2025

G.H. Raison College of Engineering | *Bachelor of Engineering in Computer Science*

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
