- **Quality Assurance & Asset Delivery:** Production-ready assets, design refinement, implementation consistency, quality control
- **AI-Assisted Creative Workflows:** AI-assisted workflows, rapid concept development, scalable optimization, creative efficiency improvements
- **Problem Solving & Creative Innovation:** Concept development, design refinement, strategic thinking, customer-focused solutions

EXPERIENCE

CX by Design | Junior Graphic Designer | New York, NY

Sept 2025 – Dec 2025

- Designed digital and print marketing assets improving campaign engagement, brand consistency, and visual communication quality.
- Created website graphics, email campaigns, social content, brochures, presentations, and branded collateral supporting multi-channel initiatives.
- Developed design comps, wireframes, storyboards, and scalable visual systems translating creative concepts into production-ready assets.
- Collaborated with designers, marketers, photographers, stakeholders, and creative teams delivering polished assets aligned with brand standards.
- Presented visual concepts, creative solutions, and design recommendations during reviews supporting informed stakeholder decision-making.
- Contributed AI-assisted workflows, reusable design systems, and rapid creative iterations improving production efficiency and implementation consistency.

MyRentalSpot | UX/UI Product Design Intern | Orinda, CA

Aug 2025 – Sept 2025

- Developed responsive web and mobile experiences improving engagement, interaction consistency, and customer communication quality.
- Built high-fidelity Figma prototypes, visual layouts, and scalable interface systems validating customer-focused experiences before launch.
- Created branded graphics, marketing visuals, presentations, and campaign assets supporting product communication initiatives.
- Collaborated with developers, stakeholders, and product teams delivering production-ready creative assets and implementation workflows.
- Supported rapid design iterations, usability validation, and visual refinements enhancing deployment quality and user engagement.

NYC Design Factory | Design and Innovation Volunteer | New York, NY

Jan 2025 – Present

- Facilitated collaborative workshops and ideation sessions supporting innovative branding, storytelling, and customer-focused visual experiences.
- Developed communication assets, presentation materials, and visual concepts translating user needs into engaging creative solutions.
- Collaborated with cross-functional teams aligning campaign objectives, brand consistency, and design innovation initiatives.

Lighthouse Info System Pvt. Ltd | Associate Graphic Designer | Nagpur, India

June 2024 – Aug 2024

- Designed branded digital assets, responsive visuals, marketing materials, and presentation systems improving communication quality and consistency.
- Conducted stakeholder discussions and creative reviews identifying opportunities for stronger branding and campaign effectiveness.
- Built reusable visual systems, style guides, wireframes, print-ready materials, and presentation assets supporting efficient creative production.
- Created design documentation, QA processes, branding standards, and asset libraries reducing inconsistencies across deliverables.
- Collaborated with creative and technical teams refining visual systems and scalable customer-focused experiences.

Phoenixzone Technologies Pvt. Ltd | Junior Graphic Designer | Pune, India

Jan 2024 – June 2024

- Designed 20+ digital marketing assets and branded visual experiences improving engagement, communication, and presentation quality.
- Created website graphics, social content, advertising assets, packaging concepts, presentations, and campaign materials supporting marketing initiatives.
- Partnered directly with stakeholders translating business requirements into compelling visual solutions and brand experiences.
- Leveraged AI-assisted workflows accelerating concept development, creative refinement, and production efficiency improvements.

EDUCATION

Pace University, New York | MS in Human Centered Design

Sept 2024 – Dec 2025

G.H. Raisoni College of Engineering | Bachelor of Engineering in Computer Science

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
