EXPERIENCE

CX by Design | *Designer Intern* | New York, NY

Sept 2025 – Dec 2025

- Designed branded graphics, licensed-style product visuals, and merchandising-focused concepts improving customer engagement and visual consistency
- Created design layouts, high-fidelity mockups, and presentation-ready assets using Adobe Illustrator, Photoshop, Figma, and Framer
- Developed scalable visual systems and branded graphics aligned with merchandising strategies, licensing requirements, and product presentation goals
- Conducted design research, trend analysis, and consumer preference studies supporting innovative and customer-focused product concepts
- Collaborated with senior designers, merchandising teams, product development teams, and stakeholders to align visual direction with brand guidelines and project goals

MyRentalSpot | *Graphic Designer Intern* | Orinda, CA

Aug 2025 – Sept 2025

- Designed branded layouts, marketing graphics, and customer-facing visuals improving visual communication and engagement
- Created high-fidelity mockups and interactive prototypes optimized for visually compelling and customer-focused product experiences
- Conducted design evaluations and visual refinements improving typography, hierarchy, composition, and layout clarity
- Delivered production-ready visual assets and design specifications supporting stakeholder collaboration and implementation workflows

NYC Design Factory | *Design and Innovation Volunteer* | New York, NY

Jan 2025 – Present

- Facilitated collaborative workshops and innovation sessions accelerating concept development, merchandising ideation, and creative problem solving
- Produced visual concepts, branded graphics, and rapid prototypes supporting customer-focused and merchandising-driven retail initiatives
- Collaborated with multidisciplinary teams to develop visually compelling, trend-focused, and brand-aligned design solutions

Lighthouse Info System Pvt. Ltd | *Associate Graphic Designer* | Nagpur, India

June 2024 – Aug 2024

- Designed branded interfaces, merchandising-style graphics, and customer-facing visual systems improving engagement and visual consistency
- Built conceptual mockups, renderings, and production-ready design assets supporting rapid validation and stakeholder communication
- Conducted trend research, design evaluations, and stakeholder reviews identifying usability gaps and improving customer-focused solutions
- Developed reusable graphic systems, branded layouts, and merchandising visuals improving scalability and visual consistency across products
- Collaborated with product, business, and design teams to align visual direction with brand guidelines, licensing standards, and merchandising goals

Phoenixzone Technologies Pvt. Ltd | *Junior Designer* | Pune, India

Jan 2024 – June 2024

- Designed 20+ branded product layouts, marketing graphics, and merchandising visuals improving customer engagement and visual appeal
- Created high-fidelity mockups and prototypes using Adobe Illustrator, Photoshop, Figma, and Framer supporting product visualization workflows
- Applied typography, composition, color theory, and branding principles to create visually compelling and production-ready assets
- Collaborated with cross-functional teams to deliver scalable branded concepts, licensed-style visuals, and merchandising-focused graphic solutions

EDUCATION

Pace University, New York | *MS in Human Centered Design*

Sept 2024 – Dec 2025

G.H. Raison College of Engineering | *Bachelor of Engineering in Computer Science*

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
