- **Motion Graphics & Multimedia:** Motion graphics, video editing, animation-aware systems, multimedia campaigns, digital storytelling
- **Figma, Sketch & InVision:** Figma, Sketch, InVision, scalable design systems, collaborative workflows, rapid iteration
- **Digital Art & Photo Manipulation:** Digital illustrations, product imagery, photo manipulation, visual enhancements, creative asset refinement
- **Typography & Layout Systems:** Typography, color theory, layout design, visual hierarchy, branding consistency
- **Marketing & Print Design:** Print advertising, signage systems, brochures, promotional materials, marketing collateral
- **Content Management Systems:** Shopify CMS, WordPress familiarity, digital asset systems, scalable workflows
- **Cross-Functional Collaboration:** Marketing collaboration, developer coordination, stakeholder communication, project alignment
- **Presentation & Communication:** Creative presentations, stakeholder storytelling, campaign communication, design documentation
- **Project & Workflow Management:** Multi-project coordination, deadline management, organized execution systems, scalable workflows
- **AI-Assisted Creative Workflows:** AI-assisted workflows, rapid concept generation, scalable design optimization, workflow acceleration

EXPERIENCE

- CX by Design | E-Commerce Graphic Designer Intern** | New York, NY **Sept 2025 – Dec 2025**
- Designed Shopify-focused digital campaigns and visual systems improving engagement, conversion rates, and brand consistency across projects.
 - Created branded website visuals, banners, promotional graphics, product imagery, email assets, and social campaigns supporting online storytelling.
 - Developed responsive layouts, wireframes, UI systems, and prototype-ready assets improving usability and interaction quality across digital platforms.
 - Collaborated with marketers, developers, and cross-functional stakeholders refining branding direction, campaign execution, and customer experiences.
 - Produced organized digital asset systems, print-ready collateral, signage concepts, and creative workflows supporting rapid deployment readiness.
 - Contributed motion graphics, multimedia storytelling systems, and AI-assisted workflows accelerating campaign delivery and visual refinement.
- MyRentalSpot | Shopify & Graphic Design Intern** | Orinda, CA **Aug 2025 – Sept 2025**
- Redesigned customer-facing e-commerce experiences and branded campaigns improving usability, presentation quality, and online engagement.
 - Built high-fidelity Photoshop, Illustrator, InDesign, Figma, Sketch, and responsive design assets validating scalable digital experiences before launch.
 - Designed product visuals, landing pages, promotional graphics, digital ads, and print-ready materials supporting cohesive online branding systems.
 - Collaborated with cross-functional teams delivering production-ready files, technical specifications, and organized creative systems supporting deployment readiness.
 - Supported rapid design iterations, concept testing, and visual storytelling initiatives improving campaign performance and conversion optimization.
- NYC Design Factory | Design and Innovation Volunteer** | New York, NY **Jan 2025 – Present**
- Facilitated collaborative workshops and concept ideation sessions supporting innovative digital experiences and customer-focused storytelling systems.
 - Developed visual concepts, presentation systems, and scalable creative assets translating branding goals into engaging customer experiences.
 - Collaborated with cross-functional teams aligning campaign strategies, audience engagement goals, and visual communication initiatives.
- Lighthouse Info System Pvt. Ltd | Associate Graphic Designer** | Nagpur, India **June 2024 – Aug 2024**
- Designed operational dashboards, marketing visuals, and scalable branding systems improving usability, engagement, and visual communication quality.
 - Conducted stakeholder discussions and design evaluations identifying opportunities for stronger branding consistency, layout refinement, and workflow optimization.
 - Built reusable layouts, digital assets, prototype-ready systems, and print-ready collateral supporting implementation consistency across campaigns.
 - Created design documentation, technical guidelines, and presentation systems reducing inconsistencies across development workflows and vendor coordination processes.
 - Collaborated with developers and marketing teams refining customer-focused interfaces, digital assets, and scalable e-commerce design experiences.
- Phoenixzone Technologies Pvt. Ltd | Junior Graphic Designer** | Pune, India **Jan 2024 – June 2024**
- Designed 20+ branded digital campaigns and scalable visual systems improving customer engagement, functionality, and presentation quality.
 - Created illustrations, product mockups, motion graphics, and responsive visual assets supporting rapid campaign development workflows.
 - Partnered directly with developers and stakeholders translating branding requirements into scalable visual storytelling solutions.
 - Leveraged AI-assisted workflows accelerating graphic refinement, campaign optimization, and scalable visual validation processes.

EDUCATION

Pace University, New York | *MS in Human Centered Design*
G.H. Raison College of Engineering | *Bachelor of Engineering in Computer Science*

Sept 2024 – Dec 2025
Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
