PROFESSIONAL SUMMARY

Brand Designer with 2+ years of experience developing **technology-focused brand systems**, digital campaigns, and scalable visual experiences across web, mobile, social, print, and experiential platforms. Skilled in **visual storytelling**, **brand identity systems**, UI/UX-aware design, and translating complex technical concepts into compelling customer-facing creative experiences. Experienced collaborating with marketing, product, engineering, and dev to improve brand consistency, audience engagement, campaign performance, and visual communication across fast-paced innovation-driven environments. Strong expertise in **Adobe Creative Suite**, Photoshop, Illustrator, InDesign, **Figma**, motion graphics, visual guidelines, **print-ready assets**, and AI-assisted creative workflows supporting technology, automation, and next-generation digital products.

SKILLS

- **Brand Identity & Visual Systems:** Brand guidelines, visual identity systems, scalable branding, visual consistency, creative direction
- **Campaign & Marketing Design:** Marketing campaigns, digital ads, social campaigns, email assets, audience engagement systems
- **Digital & Web Design:** Web visuals, responsive layouts, UI/UX principles, mobile design systems, interactive experiences
- **Adobe Creative Suite:** Adobe Photoshop, Illustrator, InDesign, Adobe Creative Suite, production-ready creative workflows
- **Figma & Interface Design:** Figma, UI systems, interface layouts, design refinement, scalable visual systems
- **Typography & Layout Systems:** Typography, color theory, layout systems, visual hierarchy, composition refinement
- **Print & Physical Design:** Print-ready files, signage systems, brochures, flyers, trade show booths, marketing collateral
- **Motion Graphics & Multimedia:** Motion graphics, After Effects, visual storytelling, multimedia campaigns, animation-aware systems
- **Cross-Functional Collaboration:** Marketing collaboration, product coordination, engineering communication, stakeholder alignment, presentation delivery
- **Creative Asset Management:** Asset libraries, organized workflows, scalable file systems, implementation consistency, production standards
- **Technology & Innovation Branding:** Technology storytelling, automation-focused visuals, AI-driven experiences, innovation-centered branding
- **Project & Workflow Management:** Multi-project coordination, deadline management, scalable workflows, rapid execution, creative prioritization
- **AI-Assisted Creative Workflows:** AI-assisted workflows, rapid concept generation, scalable design optimization, workflow acceleration
- **Presentation & Communication:** Visual presentations, stakeholder storytelling, creative strategy communication, campaign refinement

EXPERIENCE

CX by Design | Brand Design Intern | New York, NY

Sept 2025 – Dec 2025

- Designed scalable brand systems and digital campaigns improving audience engagement and visual consistency across innovation-focused projects.
- Created website visuals, social campaigns, email assets, reports, iconography, infographics, interactive elements, and presentation systems supporting cohesive brand storytelling.
- Developed responsive layouts, scalable visual guidelines, and production-ready creative assets improving implementation efficiency across web and mobile platforms.
- Collaborated with marketing, product, engineering, and cross-functional teams translating technical concepts into compelling visual experiences.
- Produced organized asset libraries, branded collateral, signage systems, and creative workflows supporting rapid campaign execution consistency.
- Contributed motion-aware visuals, interactive concepts, and AI-assisted workflows accelerating design refinement and campaign delivery.

MyRentalSpot | Graphic Design Intern | Orinda, CA

Aug 2025 – Sept 2025

- Redesigned branded digital experiences and customer-facing campaigns improving engagement, usability, and visual communication quality.
- Built high-fidelity Photoshop, Illustrator, InDesign, Figma, and responsive design assets validating scalable storytelling systems before launch.
- Designed web visuals, mobile-ready layouts, print-ready graphics, brochures, and marketing collateral supporting cohesive digital and physical brand experiences.
- Collaborated with cross-functional teams delivering production-ready files, visual specifications, and campaign systems supporting deployment readiness.
- Supported rapid design iterations, stakeholder feedback incorporation, and audience-focused storytelling improvements across marketing initiatives.

NYC Design Factory | Design and Innovation Volunteer | New York, NY

Jan 2025 – Present

- Facilitated brainstorming workshops and collaborative ideation sessions supporting innovative storytelling and audience-centered experiences.
- Developed presentation systems, visual concepts, and scalable creative assets translating complex narratives into engaging digital experiences.
- Collaborated with cross-functional teams aligning campaign goals, branding direction, and visual communication initiatives.

Lighthouse Info System Pvt. Ltd | Associate Brand Designer | Nagpur, India

June 2024 – Aug 2024

- Designed operational dashboards, campaign visuals, and scalable brand systems improving hierarchy, usability, and visual consistency across projects.
- Conducted stakeholder discussions and creative reviews identifying opportunities for stronger technology-focused storytelling and workflow optimization.
- Built high-fidelity graphics, reusable layouts, responsive assets, trade show visuals, and print-ready collateral supporting implementation consistency.
- Created visual guidelines, organized asset systems, production-ready documentation, and branded materials reducing inconsistencies across deliverables.
- Collaborated with engineering teams refining operational workflows, interface systems, and scalable customer-facing visual experiences.

Phoenixzone Technologies Pvt. Ltd | Junior Brand Designer | Pune, India

Jan 2024 – June 2024

- Designed 20+ branded campaign experiences and scalable digital systems improving customer engagement and presentation quality.
- Created mockups, infographics, motion-aware graphics, and responsive visual assets supporting rapid campaign development workflows.
- Partnered directly with stakeholders refining implementation feasibility, audience engagement strategies, and scalable creative execution systems.
- Leveraged AI-assisted workflows accelerating concept generation, visual refinement, and scalable campaign validation processes.

EDUCATION

Pace University, New York | MS in Human Centered Design

Sept 2024 – Dec 2025

G.H. Rasoni College of Engineering | Bachelor of Engineering in Computer Science

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
