PROFESSIONAL SUMMARY

Junior Graphic Designer with 3+ years of experience creating **high-volume marketing assets**, **presentation systems**, and brand-focused visual experiences across web, email, social, event, and digital communication platforms. Skilled in graphic design, **visual storytelling**, **typography**, **layout design**, **presentation design**, and translating complex information into clear, polished visual content improving engagement, communication effectiveness, and brand consistency. Experienced collaborating with marketers, stakeholders, leadership teams, and cross-functional partners to deliver **production-ready creative assets** within fast-paced environments. Strong expertise in **Adobe Creative Suite**, **Figma**, presentation design, **component-based design systems**, visual production, marketing communications, AI-assisted creative workflows, and **scalable branding systems supporting consistent, high-quality creative execution**.

SKILLS

- **Graphic Design & Visual Communication:** Graphic design, visual storytelling, visual communication, creative execution, production design
- **Presentation Design & Decks:** Presentation design, slide design, executive presentations, customer-facing decks, visual communication
- **Adobe Creative Suite:** Photoshop, Illustrator, InDesign, image editing, visual production, marketing asset creation
- **Figma & Design Systems:** Figma, component-based design systems, reusable templates, scalable visual systems
- **Typography & Layout Design:** Typography, layout design, visual hierarchy, composition principles, readability optimization
- **Marketing & Communications Assets:** Web graphics, email marketing visuals, fact sheets, one-pagers, campaign assets
- **Digital Marketing Design:** Social media graphics, event promotion materials, communication assets, digital campaigns
- **Brand Consistency & Standards:** Brand guidelines, visual consistency, design systems, scalable branding workflows
- **Production Design & Asset Creation:** Production workflows, asset creation, template management, high-volume deliverables
- **Presentation Storytelling:** Complex information design, structured communication, visual narratives, executive-ready content
- **Cross-Functional Collaboration:** Stakeholder communication, marketing collaboration, project coordination, creative reviews
- **Project & Workflow Management:** Multi-project execution, deadline management, workflow optimization, rapid production cycles
- **Quality Assurance & Visual Refinement:** Attention to detail, production quality, design refinement, implementation consistency
- **AI-Assisted Creative Workflows:** AI-assisted workflows, rapid design iterations, scalable optimization, creative efficiency improvements
- **Problem Solving & Creative Innovation:** Concept development, strategic thinking, visual solutions, customer-focused communication

EXPERIENCE

CX by Design | Junior Graphic Designer | New York, NY

Sept 2025 – Dec 2025

- Designed high-volume marketing assets, presentation systems, and branded visual experiences improving communication quality and stakeholder engagement.
- Created presentation decks, web graphics, email visuals, social content, fact sheets, and campaign assets supporting business initiatives.
- Developed reusable templates, scalable visual systems, and structured presentation frameworks improving production efficiency and consistency.
- Collaborated with marketers, stakeholders, and leadership teams transforming complex concepts into clear, polished visual communications.
- Presented visual recommendations and production-ready solutions supporting effective decision-making and brand alignment.
- Contributed AI-assisted workflows, reusable design systems, and rapid production processes improving creative execution speed and consistency.

MyRentalSpot | UX/UI Product Design Intern | Orinda, CA

Aug 2025 – Sept 2025

- Developed responsive web and mobile experiences improving engagement, interaction consistency, and communication quality.
- Built high-fidelity Figma prototypes, visual layouts, scalable components, and structured presentation assets validating customer-focused experiences.
- Created branded graphics, marketing visuals, presentation materials, and communication assets supporting product initiatives.
- Collaborated with developers, stakeholders, and product teams delivering production-ready creative assets and implementation workflows.
- Supported rapid design iterations, visual refinements, and usability validation enhancing deployment quality and stakeholder communication.

NYC Design Factory | Design and Innovation Volunteer | New York, NY

Jan 2025 – Present

- Facilitated collaborative workshops and ideation sessions supporting innovative branding, storytelling, and visual communication initiatives.
- Developed presentation materials, communication assets, and visual concepts translating complex ideas into engaging creative solutions.
- Collaborated with cross-functional teams aligning campaign objectives, brand consistency, and design innovation initiatives.

Lighthouse Info System Pvt. Ltd | Associate Graphic Designer | Nagpur, India

June 2024 – Aug 2024

- Designed branded digital assets, presentation systems, and communication materials improving visual consistency and information clarity.
- Conducted stakeholder discussions and creative reviews identifying opportunities for stronger communication and presentation effectiveness.
- Built reusable visual systems, presentation templates, wireframes, and marketing assets supporting efficient creative production.
- Created design documentation, QA processes, brand standards, and asset libraries reducing inconsistencies across deliverables.
- Collaborated with creative and technical teams refining visual systems and scalable communication experiences.

Phoenixzone Technologies Pvt. Ltd | Junior Graphic Designer | Pune, India

Jan 2024 – June 2024

- Designed 20+ marketing assets and branded visual experiences improving engagement, communication quality, and presentation effectiveness.
- Created presentation decks, web graphics, social content, campaign assets, one-pagers, and marketing materials supporting business initiatives.
- Partnered directly with stakeholders translating complex business information into clear visual communications and presentation systems.
- Leveraged AI-assisted workflows accelerating content organization, visual refinement, production efficiency, and creative execution.

EDUCATION

Pace University, New York | MS in Human Centered Design

G.H. Raison College of Engineering | Bachelor of Engineering in Computer Science

Sept 2024 – Dec 2025

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
