PROFESSIONAL SUMMARY

Creative Experience Designer with 3+ years of experience designing **immersive digital experiences**, multi-platform marketing assets, and audience-centered brand systems across web, print, social, experiential, and responsive platforms. Skilled in **UX/UI design**, **campaign storytelling**, email marketing, **motion graphics**, and translating creative concepts into engaging production-ready visual experiences. Experienced collaborating with leadership, developers, marketers, and cross-functional stakeholders to improve audience engagement, campaign performance, conversion optimization, and visual consistency across fast-paced creative environments. Strong expertise in **Adobe Creative Cloud**, Photoshop, Illustrator, InDesign, After Effects, **Figma**, **Klaviyo**, AI-assisted creative workflows, **responsive web experiences**, and user-centered design systems supporting immersive brand storytelling.

SKILLS

- **Creative Experience Design:** Immersive experiences, audience engagement, creative storytelling, branded experiences, multi-platform campaigns
- **Graphic & Visual Design:** Typography, layout systems, branding, color theory, visual hierarchy, presentation systems
- **UX/UI & Web Design:** UX/UI design, wireframes, user flows, responsive web experiences, landing pages, web mockups
- **Adobe Creative Cloud:** Adobe Photoshop, Illustrator, InDesign, After Effects, Adobe Creative Cloud, multimedia assets
- **Digital Marketing Design:** Digital campaigns, marketing assets, conversion-focused visuals, branded promotions, campaign execution
- **Email Marketing & CMS:** Klaviyo, B2C CMS platforms, email campaigns, campaign optimization, audience-focused communication
- **Motion Graphics & Multimedia:** Motion graphics, animation-aware systems, multimedia storytelling, campaign visuals, immersive assets
- **Figma & Design Systems:** Figma, scalable design systems, collaborative workflows, production-ready assets, rapid iteration
- **A/B Testing & Optimization:** A/B testing, iterative improvements, UX optimization, campaign performance analysis, engagement refinement
- **Cross-Functional Collaboration:** Leadership collaboration, developer coordination, marketing communication, stakeholder alignment, project workflows
- **Creative Asset Management:** File organization, template systems, production workflows, scalable asset systems, implementation consistency
- **Project & Workflow Management:** Multi-project coordination, prioritization, deadline management, Asana familiarity, fast-paced workflows
- **AI-Assisted Creative Workflows:** AI-assisted workflows, rapid concept generation, scalable design execution, workflow optimization
- **Digital & Print Experiences:** Print design, signage systems, merchandise assets, event collateral, experiential visuals

EXPERIENCE

CX by Design | *Experience Design Intern* | New York, NY

Sept 2025 – Dec 2025

- Designed immersive campaign assets and branded visual systems improving audience engagement and campaign consistency across projects.
- Created digital, print, web, email, and presentation-ready assets translating creative concepts into compelling customer-facing experiences.
- Developed responsive landing pages, UX wireframes, scalable layouts, user flows, and web mockups improving interaction clarity and conversion performance.
- Collaborated with leadership, marketers, developers, and stakeholders refining campaign direction, user experiences, and visual storytelling systems.
- Produced organized creative assets, multimedia visuals, production-ready files, and branded templates improving implementation efficiency and brand cohesion.
- Contributed motion-aware concepts, brainstorming ideas, and campaign storytelling systems supporting immersive audience experiences

MyRentalSpot | *UI/UX and Graphic Design Intern* | Orinda, CA

Aug 2025 – Sept 2025

- Redesigned branded digital experiences and campaign visuals improving usability, audience engagement, and visual consistency across platforms.
- Built high-fidelity Illustrator, Photoshop, InDesign, After Effects, and Figma assets validating scalable storytelling systems before launch.
- Developed responsive mockups, landing pages, web assets, and UX systems supporting user-centered experiences and campaign optimization initiatives.
- Collaborated with cross-functional teams delivering production-ready assets, organized workflows, and scalable creative systems supporting deployment readiness.
- Supported iterative design improvements, campaign refinements, A/B testing workflows, and engagement optimization initiatives improving interaction quality.

NYC Design Factory | *Design and Innovation Volunteer* | New York, NY

Jan 2025 – Present

- Facilitated brainstorming workshops and collaborative design sessions supporting innovative storytelling concepts and audience-centered experiences.
- Developed presentation systems, visual concepts, and scalable creative assets translating immersive narratives into engaging digital experiences.
- Collaborated with cross-functional teams aligning branding goals, campaign direction, and audience engagement initiatives.

Lighthouse Info System Pvt. Ltd | *Associate Creative Designer* | Nagpur, India

June 2024 – Aug 2024

- Designed branded dashboards, campaign visuals, and storytelling systems improving engagement, hierarchy, and visual communication quality.
- Conducted stakeholder discussions and campaign reviews identifying opportunities for scalable brand storytelling and UX improvements.
- Built high-fidelity graphics, reusable layouts, responsive assets, and production-ready artwork supporting implementation consistency.
- Created visual guidelines, organized production files, UX documentation, and branded materials reducing inconsistencies across deliverables.
- Collaborated with developers, marketers, and cross-functional teams refining customer-focused experiences and scalable creative systems.

Phoenixzone Technologies Pvt. Ltd | *Junior Creative Designer* | Pune, India

Jan 2024 – June 2024

- Designed 20+ branded campaign experiences and digital storytelling systems improving audience engagement and visual presentation quality.
- Created mockups, motion-aware graphics, scalable artwork systems, and marketing assets supporting rapid campaign development workflows.
- Partnered directly with stakeholders refining implementation feasibility, audience engagement strategies, and scalable creative execution systems.
- Leveraged AI-assisted creative workflows accelerating rapid concept exploration, visual refinement, and scalable campaign validation processes.

EDUCATION

Pace University, New York | *MS in Human Centered Design*

Sept 2024 – Dec 2025

G.H. Raison College of Engineering | *Bachelor of Engineering in Computer Science*

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
