PROFESSIONAL SUMMARY

Associate Designer with 2+ years of experience designing **trend-focused product concepts**, seasonal visual assortments, and consumer-facing product experiences across retail and digital platforms. Skilled in **Illustrator sketching**, **assortment development**, **trend research**, **sampling workflows**, and translating creative concepts into production-ready design solutions. Experienced collaborating with designers, merchandising teams, and cross-functional stakeholders to improve visual consistency, product execution, and workflow efficiency across fast-paced environments. Strong expertise in **Adobe Illustrator**, **Photoshop**, **seasonal line development**, presentation boards, sampling documentation, and scalable design systems supporting cohesive brand experiences.

SKILLS

- **Fashion & Product Design:** Product design, apparel concepts, seasonal assortments, line development, trend-focused product experiences
- **Illustration & Sketching:** Freehand sketching, Illustrator sketching, technical sketching, fashion illustration, concept visualization
- **Adobe Creative Suite:** Adobe Illustrator, Photoshop, Adobe Creative Suite, digital artwork, presentation assets, production workflows
- **Trend Research & Market Analysis:** Trend research, category reviews, visual analysis, concept development, consumer-focused design
- **Sampling & Product Development:** Sampling sheets, detail packages, fittings support, product execution, production coordination
- **Seasonal Assortment Development:** Seasonal boards, assortment planning, color stories, visual consistency, cohesive brand direction
- **Color & Visual Design:** Color systems, visual hierarchy, composition, layout systems, branded presentation development
- **Design Documentation & Tracking:** Development trackers, production documentation, workflow organization, implementation support
- **Cross-Functional Collaboration:** Designer collaboration, merchandising communication, stakeholder coordination, team-based workflows
- **Presentation & Branding:** Presentation boards, branded visuals, mockups, product storytelling, customer-facing design systems
- **Organization & Workflow Management:** Multi-tasking, prioritization, detail-oriented execution, project coordination, fast-paced workflows
- **Creative Problem Solving:** Concept refinement, iterative development, visual adaptation, scalable workflows, design optimization
- **Retail Product Experiences:** Consumer products, retail merchandise, branded experiences, customer-centered visual systems
- **Communication & Teamwork:** Verbal communication, listening skills, collaborative execution, relationship management, workflow alignment

EXPERIENCE

CX by Design | Associate Design Intern | New York, NY **Sept 2025 – Dec 2025**

- Designed seasonal product concepts and branded visual systems improving presentation quality and product consistency across projects.
- Created Illustrator sketches, color stories, and scalable assortment boards translating trend research into production-ready concepts.
- Developed sampling sheets, presentation assets, detail packages, and product documentation supporting implementation workflows and execution.
- Collaborated with designers and cross-functional stakeholders refining visual direction, product workflows, and creative consistency.
- Prepared client presentation materials, mockups, and visual assets improving communication clarity and product storytelling.
- Supported fittings reviews, artwork refinements, and workflow tracking systems improving execution quality and development accuracy.

MyRentalSpot | Design Intern | Orinda, CA **Aug 2025 – Sept 2025**

- Redesigned branded visual assets and customer-facing experiences improving usability, engagement, and visual consistency across platforms.
- Built high-fidelity Illustrator and Photoshop mockups validating layout systems, workflow scalability, and visual refinement before launch.
- Conducted visual reviews and design refinements reducing inconsistencies across branded materials and presentation deliverables.
- Collaborated with cross-functional teams delivering production-ready assets, visual specifications, and presentation systems supporting implementation readiness.
- Contributed scalable graphics, reusable layouts, and branded visuals supporting cohesive customer experiences across projects.

NYC Design Factory | Design and Innovation Volunteer | New York, NY **Jan 2025 – Present**

- Facilitated brainstorming workshops and collaborative design sessions supporting innovative retail concepts and visual product experiences.
- Developed presentation systems, visual concepts, and scalable design assets translating creative ideas into consumer-focused experiences.
- Collaborated with cross-functional teams aligning branding goals, visual direction, and workflow consistency across initiatives.

Lighthouse Info System Pvt. Ltd | Associate Product Designer | Nagpur, India **June 2024 – Aug 2024**

- Designed branded dashboards, visual systems, and presentation assets improving hierarchy, consistency, and customer interaction clarity.
- Conducted stakeholder discussions and category reviews identifying visual opportunities and design refinements supporting scalable workflows.
- Built high-fidelity graphics, reusable layouts, scalable presentation systems, and production-ready artwork supporting implementation consistency.
- Created sampling documentation, visual guidelines, development trackers, and artwork refinements reducing inconsistencies across deliverables.
- Collaborated with cross-functional teams refining branded product systems, visual assets, and scalable customer experiences across projects.

Phoenixzone Technologies Pvt. Ltd | Junior Product Designer | Pune, India **Jan 2024 – June 2024**

- Designed 20+ branded product experiences and retail-focused visual systems improving presentation clarity and workflow efficiency.
- Created mockups, concept sketches, production-ready graphics, and scalable artwork systems supporting rapid product development.
- Partnered directly with stakeholders refining implementation feasibility, visual behaviors, and scalable design execution workflows.
- Leveraged AI-assisted design workflows accelerating rapid concept exploration, artwork refinement, and scalable product validation

EDUCATION

Pace University, New York | *MS in Human Centered Design*

Sept 2024 – Dec 2025

G.H. Rasoni College of Engineering | *Bachelor of Engineering in Computer Science*

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
