PROFESSIONAL SUMMARY

Front End Web Designer with 3+ years of experience designing **responsive websites**, branded digital experiences, and customer-focused web interfaces across hospitality, business, and marketing environments. Skilled in front-end web design, responsive layouts, UI/UX design, visual design systems, wireframing, prototyping, and translating creative concepts into modern websites improving engagement, usability, and brand perception. Experienced collaborating with stakeholders, developers, and cross-functional teams to deliver visually compelling web experiences aligned with business goals and brand standards. Strong expertise in **HTML**, **CSS**, **JavaScript**, **Figma**, **Adobe Creative Suite**, **responsive design**, accessibility, SEO-friendly design practices, design systems, and scalable front-end experiences supporting high-quality digital products.

SKILLS

- **Front End Web Design:** Web design, front-end development, responsive websites, visual experiences, interface optimization, modern layouts
- **HTML, CSS & JavaScript:** HTML, CSS, JavaScript, responsive development, frontend implementation, interactive experiences
- **Responsive Design & Accessibility:** Mobile-first design, accessibility standards, responsive behaviors, cross-device compatibility, usability
- **Figma & Adobe Creative Suite:** Figma, Adobe Photoshop, Illustrator, Adobe XD, visual design, digital asset creation
- **UI/UX Design & Interaction Design:** User experience, interaction design, navigation systems, customer engagement, workflow optimization
- **Wireframing & Prototyping:** Wireframes, mockups, prototypes, concept validation, design refinement, implementation readiness
- **Branding & Visual Systems:** Brand guidelines, visual consistency, identity systems, style guides, cohesive experiences
- **Design Systems & Reusable Components:** Design systems, reusable components, scalable interfaces, UI standards, consistency
- **Website Maintenance & Optimization:** Website updates, performance optimization, usability improvements, content enhancements, maintenance
- **SEO-Friendly Design Practices:** SEO fundamentals, content structure, performance optimization, search visibility, user engagement
- **WordPress & CMS Platforms:** WordPress, content management systems, website customization, digital publishing, platform management
- **Hospitality & Customer Experiences:** Restaurant websites, hospitality experiences, customer journeys, service-focused design solutions
- **Cross-Functional Collaboration:** Stakeholders, developers, designers, project collaboration, design reviews, communication
- **Project Management & Execution:** Multi-project management, deadline execution, workflow coordination, quality assurance, organization
- **Creative Problem Solving:** Design thinking, innovative solutions, visual storytelling, customer-centered design, continuous improvement

EXPERIENCE

CX by Design | Front End Web Designer Intern | New York, NY Sept 2025 – Dec 2025

- Designed responsive websites and branded digital experiences improving engagement, usability, and visual consistency across platforms.
- Translated creative concepts into production-ready web interfaces, responsive layouts, and scalable front-end design solutions.
- Created reusable design systems, visual assets, component libraries, and style guides supporting long-term design consistency.
- Optimized website performance, accessibility, mobile responsiveness, and user interactions improving overall experience quality.
- Collaborated with stakeholders and development teams aligning visual direction, business objectives, and implementation priorities.
- Contributed AI-assisted workflows, front-end design standards, and scalable web systems improving delivery efficiency and quality.

MyRentalSpot | Web Designer Intern | Orinda, CA Aug 2025 – Sept 2025

- Developed responsive web experiences improving onboarding efficiency, interaction consistency, and customer engagement across platforms.
- Built high-fidelity Figma prototypes, web layouts, reusable UI components, and implementation-ready design assets.
- Conducted usability evaluations, customer feedback analysis, and interface refinements improving accessibility and experience quality.
- Collaborated with developers and stakeholders delivering scalable website experiences aligned with business requirements.
- Supported rapid design iterations, website enhancements, performance improvements, and deployment activities improving product quality.

NYC Design Factory | Design and Innovation Volunteer | New York, NY Jan 2025 – Present

- Facilitated collaborative workshops and ideation sessions supporting innovative digital experiences and customer-focused solutions.
- Developed interface concepts, communication assets, and visual experiences translating customer needs into actionable outcomes.
- Collaborated with multidisciplinary teams aligning usability goals, customer journeys, and design innovation initiatives.

Lighthouse Info System Pvt. Ltd | Associate Web Designer | Nagpur, India June 2024 – Aug 2024

- Designed responsive websites, dashboards, and branded digital experiences improving usability, communication quality, and engagement.
- Conducted stakeholder discussions, usability evaluations, workflow analyses, and design reviews identifying optimization opportunities.
- Built reusable layouts, responsive interfaces, design systems, and prototype-ready assets supporting implementation consistency.
- Created style guides, visual standards, QA processes, and design documentation reducing inconsistencies across digital experiences.
- Collaborated with engineering teams refining front-end experiences, accessibility workflows, and scalable website solutions.

Phoenixzone Technologies Pvt. Ltd | Junior Web Designer | Pune, India Jan 2024 – June 2024

- Designed 20+ responsive websites and customer-focused digital experiences improving engagement, usability, and visual performance.
- Created wireframes, prototypes, web layouts, branding assets, and interaction systems supporting rapid project delivery.
- Partnered directly with stakeholders translating business requirements into scalable web solutions and visual experiences.
- Leveraged AI-assisted workflows accelerating design iteration, validation activities, optimization efforts, and implementation efficiency.

EDUCATION

Pace University, New York | *MS in Human Centered Design* Sept 2024 – Dec 2025
G.H. Raison College of Engineering | *Bachelor of Engineering in Computer Science* Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
