- Motion & Video: After Effects, Premiere Pro, Motion Design, Interactive Visuals, Micro-Interactions, Multimedia Editing, Video Assets
- Design Systems: Component Libraries, Visual Consistency, Scalable Design Systems, Cross-Platform Brand Standards, Style Guides
- Creative Strategy: Art Direction Support, Campaign Design, Product Storytelling, Trend Research, Creative Concept Development, Brand Campaigns
- User Experience Design: Responsive Design, User-Centered Design, Interaction Design, High-Fidelity Mockups, Rapid Prototyping, Interface Design
- Collaboration & Workflow: Cross-Functional Collaboration, Copywriter Collaboration, Marketing Alignment, Fast-Paced Workflows, Creative Feedback
- Execution & Optimization: Detail-Oriented Execution, Project Prioritization, Production-Ready Assets, Quality Assurance, Deadline Management, Asset Optimization

EXPERIENCE

CX by Design | *Visual Designer Intern* | New York, NY

Sept 2025 – Dec 2025

- Designed premium digital experiences, branded assets, and campaigns across AI-native and enterprise platforms improving engagement and consistency
- Shipped 5+ high-impact visual campaigns and product experiences from concept to implementation improving customer interaction and usability
- Built scalable Figma component libraries, visual systems, and style guides improving consistency across digital, social, and marketing channels
- Created polished email assets, social media visuals, high-fidelity mockups, and Framer prototypes supporting rapid campaign execution
- Integrated AI-assisted workflows using Midjourney, Gemini, Cursor, and ChatGPT accelerating asset generation and creative iteration workflows
- Collaborated with marketing teams, copywriters, and product stakeholders to deliver visually cohesive and production-ready brand experiences

MyRentalSpot | *UI/Visual Designer Intern* | Orinda, CA

Aug 2025 – Sept 2025

- Improved customer engagement through visually refined interfaces, usability-focused iteration, and responsive digital design strategies
- Designed responsive layouts, promotional visuals, branded graphics, and interactive prototypes optimized for web and mobile experiences
- Conducted behavioral analysis and design validation improving visual hierarchy and interface clarity across customer touchpoints
- Created production-ready Figma assets and branded mockups accelerating stakeholder approvals and implementation workflows

NYC Design Factory | *Design and Innovation Volunteer* | New York, NY

Jan 2025 – Present

- Facilitated collaborative workshops and innovation sessions accelerating creative concept development and visual problem solving
- Produced journey maps, rapid prototypes, and visually compelling concepts supporting campaign-focused and user-centered initiatives
- Collaborated with multidisciplinary teams to develop scalable, engaging, and visually cohesive customer-focused digital experiences

Lighthouse Info System Pvt. Ltd | *Associate Visual Designer* | Nagpur, India

June 2024 – Aug 2024

- Designed visually engaging dashboards, marketing visuals, and branded interfaces improving usability and customer engagement across platforms
- Built advanced Framer prototypes, multimedia mockups, and scalable design systems supporting rapid validation and visual consistency
- Conducted stakeholder reviews and usability testing identifying interface gaps and improving visual communication across experiences
- Developed reusable UI patterns, typography systems, and accessibility-focused visual standards improving scalability and design quality
- Collaborated with marketing, engineering, and product teams to align visual strategy with customer expectations and business goals

Phoenixzone Technologies Pvt. Ltd | *Junior Visual Designer* | Pune, India

Jan 2024 – June 2024

- Designed 20+ responsive visual interfaces and branded experiences improving usability, accessibility, and digital engagement
- Created high-fidelity mockups, social visuals, print-ready graphics, and interactive prototypes using Figma, Framer, and Adobe Creative Suite
- Defined motion systems and micro-interactions improving visual feedback and interactive consistency across digital products
- Collaborated with creative teams and developers in agile workflows to deliver polished and visually compelling digital experiences

EDUCATION

Pace University, New York | *MS in Human Centered Design*

G.H. Rasoni College of Engineering | *Bachelor of Engineering in Computer Science*

Sept 2024 – Dec 2025

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)
