PROFESSIONAL SUMMARY

UX/UI Designer with 2+ years of experience designing intuitive, **user-centered digital experiences** for AI-native, SaaS, and enterprise platforms. Specialized in **end-to-end UX/UI design**, **scalable design systems**, **rapid prototyping**, and interaction design across web and mobile products. Proven ability to translate technical requirements into visually compelling and highly functional user experiences that improve usability, engagement, accessibility, and product adoption. Advanced proficiency in **Figma**, **Framer**, Adobe Creative Suite, usability testing, and **AI-assisted design workflows**. Strong cross-functional collaborator experienced in partnering with engineering, leadership, and product teams to deliver cohesive design systems and innovative customer experiences in fast-paced startup environments.

SKILLS

- **UX/UI Design:** User-Centered Design, User Flows, Wireframing, Information Architecture, Interaction Design, Responsive Design, Web & Mobile UX, Visual Storytelling
- **Design Systems:** Scalable Design Systems, Component Libraries, Design Tokens, Brand Guidelines, Visual Consistency, Cross-Platform Design
- **Design Tools:** Figma, Framer, Adobe Photoshop, Adobe Illustrator, Sketch, FigJam, Miro, Adobe Creative Suite
- **Prototyping & Visualization:** Rapid Prototyping, Interactive Prototypes, High-Fidelity Mockups, Design Iteration, Concept Visualization
- **Research & Testing:** Usability Testing, Heuristic Evaluation, User Research, Behavioral Analysis, Accessibility Standards, Design Validation
- **AI & Emerging Technology:** AI-Assisted Workflows, Conversational UX, Prompt Design, AI-Driven Interaction Patterns, Decentralized AI, Web3 Platforms
- **Front-End Collaboration:** HTML, CSS, JavaScript Familiarity, React Basics, Developer Handoff, Agile Collaboration
- **Product Strategy:** UX Strategy, Customer Experience Design, Data-Driven Design, User Engagement Optimization, Feature Prioritization
- **Collaboration & Communication:** Cross-Functional Collaboration, Stakeholder Communication, Workshop Facilitation, Creative Problem Solving
- **Organization & Execution:** Multi-Project Management, Deadline Management, Attention to Detail, Fast-Paced Startup Environment

EXPERIENCE

CX by Design | *UX/UI Designer Intern* | New York, NY

Sept 2025 – Dec 2025

- Designed end-to-end UX/UI experiences across AI-native web and mobile platforms, improving usability, engagement, and customer interaction through intuitive design solutions
- Shipped 5+ high-impact product features from concept to implementation, accelerating adoption through rapid iteration and user-centered design improvements
- Built scalable Figma design systems using reusable components, design tokens, and interaction patterns improving consistency and workflow scalability
- Created interactive Framer prototypes, wireframes, and high-fidelity mockups supporting validation, usability testing, and implementation workflows
- Applied heuristic evaluation, usability testing, and behavioral analysis to optimize user journeys, accessibility, and customer experience across platforms
- Collaborated with engineering, leadership, and product teams to align customer needs, technical requirements, and UX strategy into solutions

MyRentalSpot | *UX/UI Designer Intern* | Orinda, CA

Aug 2025 – Sept 2025

- Improved customer journeys through usability testing, rapid iteration, and UX optimization strategies increasing engagement and reducing friction
- Designed responsive wireframes, interactive mockups, and high-fidelity prototypes optimized for intuitive customer experiences across platforms
- Conducted user research, heuristic evaluations, and behavioral analysis to identify usability gaps and improve customer-focused solutions
- Created Figma specifications and Framer prototypes accelerating stakeholder approvals and cross-functional collaboration

NYC Design Factory | *Design and Innovation Volunteer* | New York, NY

Jan 2025 – Present

- Facilitated collaborative workshops, design sprints, and innovation sessions accelerating concept development and product ideation
- Produced user flows, journey maps, and rapid prototypes supporting user-centered and AI-driven product initiatives
- Collaborated with multidisciplinary teams to develop visually compelling and customer-focused design solutions

Lighthouse Info System Pvt. Ltd | *Associate UX/UI Designer* | Nagpur, India

June 2024 – Aug 2024

- Designed intuitive dashboards, responsive workflows, and data-driven interfaces improving usability and interaction across enterprise platforms
- Built advanced Framer prototypes and interactive mockups supporting rapid validation, iteration, and UX testing workflows
- Conducted stakeholder interviews, contextual inquiry, usability testing, and heuristic evaluations identifying usability gaps and improving solutions
- Developed scalable design systems, reusable UI patterns, and accessibility-focused standards improving consistency and scalability
- Collaborated with engineering, product, and business teams to align UX strategy with technical feasibility and customer expectations

Phoenixzone Technologies Pvt. Ltd | *Junior UX/UI Designer* | Pune, India

Jan 2024 – June 2024

- Designed 20+ responsive user flows and interactive web/mobile experiences improving usability, accessibility, and customer satisfaction
- Created wireframes, high-fidelity mockups, and interactive prototypes using Figma, Framer, and React to validate responsive behaviors and workflows
- Collaborated with developers and product teams in agile sprints to deliver scalable UI patterns, micro-interactions, and digital experiences

EDUCATION

Pace University, New York | *MS in Human Centered Design*

Sept 2024 – Dec 2025

G.H. Rasoni College of Engineering | *Bachelor of Engineering in Computer Science*

Sept 2020 – June 2024

ACHIEVEMENTS & PUBLICATIONS

Research Papers:

- Design Meets Code: Real-Time Human - AI Co-Creation and Cognitive-Load-Aware Design Assistance, Accepted Poster - HCI International Conference (HCII 2026) | Springer CCIS
- Impact of Colors in Designing, published in the International Journal of Engineering, Management and Humanities (IJEMH)
- User Interface, User Experience, and Layout, published in the International Journal for Multidisciplinary Research (IJFMR)
- Enhancing Patient Privacy in Electronic Medical Records, published in the International Journal of Science and Research (IJSR)

Copyright: Earthquake Prediction using Quantum Support Vector Machines (QSVM) - January 2024
